

Solar Generation & Maintenance Agreement

Through the Solar Generation and Maintenance Agreement (Solar-GMA) clients access on-site PV Solar energy generation without the need for capital expense or risk.

NUGREEN WILL:

- Install the PV Solar at (\$0) zero cost
- Maintain the PV Solar
- Monitor the PV Solar
- And Guarantee the Generation for the term of the Agreement

THE CLIENT:

- Pays a monthly fee for the service
- Focuses on their core business and doesn't worry about the Solar PV on their roof/car park/shed

LOW RISK SOLUTION

Guaranteed and matched to your specific needs.

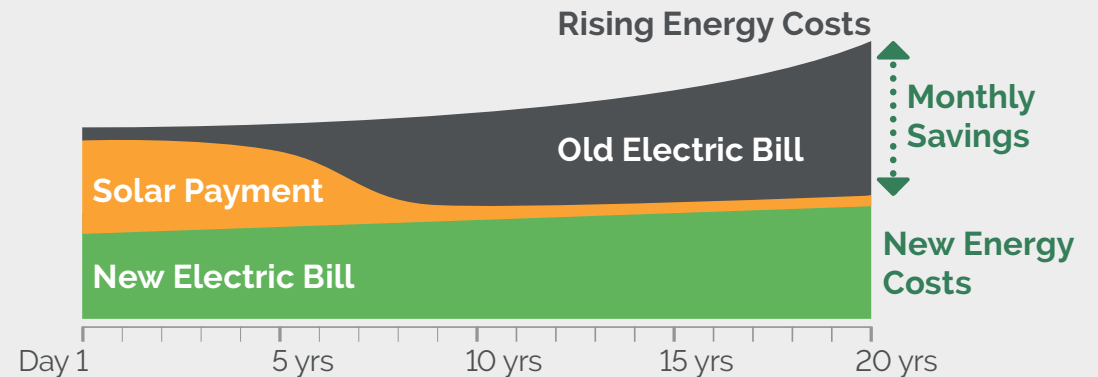

NuGreen designs, installs, monitors and maintains your system.

We model the specified PV Solar's generation and guarantee that generation as part of the agreement.

The graph below shows the impact of a Solar-GMA on your current energy costs.

TYPICAL TERMS ARE 5, 7 AND 10 YEARS
